From the Principal

We have a busy term ahead. At Green Valley Public School we provide a wide range of extracurricular activities which makes us a very busy, but happy school.

Congratulations to our debating team on a wonderful season which is soon drawing to a close. A big thank you to Mrs Le Gras and Mrs Keegan for their work with the team.

Mrs Keegan and the students have done a wonderful job re-vamping our vegetable garden. It is a wonderful opportunity for the students to learn about where food comes from and to develop a passion for gardening.

Our dance, aerobics and choir groups are gearing up for this term’s Western Liverpool Performing Arts Festival which will be held at Mounties Club on 27th – 30th August. More details to follow. Miss Borrello is the Festival convenor which is a very important position. She coordinates 14 schools and their involvement in this wonderful event. Thank you to our choir teacher Miss Borg, our dance teachers Miss Huseyin, Miss Chiovo, Miss Peoples, Mrs Le Gras and Miss Scott and our aerobics teacher Miss Nichols for training the students for the Festival.

Healthy Harold visits our school this term with the Life Education Program. I would encourage all students to join us!

Kerry Lee

Facebook Page

A Facebook page has been created based on our school. This page is intended for parents/carers of the community, not for students. It will be used to communicate information regarding school events to keep parents updated. A reminder that children under 13 years are not permitted to use Facebook as per the terms and conditions of the site. To ‘like’, search ‘Green Valley Public School’ as a page to be informed!
