P & C stands for Parents and Citizens Association and it has been going within the school for over 10 years. The P & C is open to everyone; parents, caregivers, grandparents, teachers and members of the community. We work very closely with the teachers, principal and school community to always improve the school and learning for the kids.

The P & C committee, parents and teachers raise funds throughout the year to benefit the kids and teachers of the school. Each year we try new ways of fundraising to add to our regular fundraising activities which are: two school discos, Easter raffle, Xmas raffle, and a shopping tour.

In 2011 the funds raised went towards buying 5 air conditioners and 40 books for the end of year presentation day.

In 2012 funds raised went towards buying a Smart Board for the school library.

Why get involved with the P&C?

- Get up to date information about what’s happening within the school.
- Have your say.
- Ask questions and gain a better understanding of the school and education.
- Learn to work within a team.
- Develop new friendships with other parents.

At any stage, if you have any questions that the current P & C committee can’t answer, you can contact the P & C Federation through their website or on 1300 885 982.
